

## VOP Rally dates 2020

20th Feb – Demanding Social Justice for VOP (World Day of Social Justice)

3rd March – Stop psychdrugs killing Platypus & river life (World Wildlife Day)

8th March – The misogyny of psychiatry, calling women's mentality ill & torturing women into submission! (International Women's Day)

21st March – Poets speak out against psychiatrists and the vile, cruel Mental Health legislation that exploits VOP for human research, and persecutes people who speak and write with poetic license, demanding people adhere to ugly whitecoat propaganda. (International Poets Day).

22nd March – Stop psychdrugs from polluting our rivers (World Water Day)

24th March – Stop the silencing of VOP (International Day for the Right to the Truth Concerning Gross Human Rights Violations and for the Dignity of Victims)

April 5th - Have a conscience! Demand VOP freedom, justice and democracy, all human rights, tolerance and solidarity, that reject violence and endeavour to prevent conflicts by tackling their root causes to solve problems through dialogue and negotiation, through peaceful protest. (International Conscience Day)

April 7th – Forced psychiatry is Hell not Health! VOP health is violated by psychiatrists experiments. Demand the Government stop allowing psychiatrists to violate our health. (World Health Day)

April 28th – Stop intruding on the workplace with Mental Health hate-speech (World Day for Safety and health at Work.)

May 3rd – Freedom of Press to report the bloody psychiatrists violations. (World Press Freedom Day)

16th May – Peace and Solidarity with VOP. Where is the peace, tolerance, inclusion, understanding and solidarity for VOP? (International Day of Living Together in Peace).

20th May – The right to refuse psychdrugs from the pharmaceutical companies that are killing bees. (World Bee Day)

10th May (Mother's Day) - Stop Shock Rally, stop shocking our mothers & grandmothers. Read more <https://www.madinamerica.com/2019/05/stop-shocking-torturing-women/>

5th June – Psychiatrists practices are toxic to our Environment. Psychiatrists forcing psychdrugs and toxic personal products is ruining our environment. Demand the right to refuse psychiatric drugs and encourage people to stop using toxic

Personal Products, and demand our government regulate these environmentally damaging products. (World Environment Day).

**12th June** – Forced Human Experimentation on children, is child labour of the most hideous kind. Stop psychiatrists & coterie from forcibly experimenting on children, for the lucrative exploitative human research. (World Day Against Child Labour)

**15th June** – Forced and coerced psychiatric drugs, procedures and programs, and arbitrary detention of elderly members of our community is elder abuse of the most vile, systematic kind. Stop psychiatrists from abusively exploiting the elderly in our community. (Elder Abuse Awareness Day).

**26th June** – Stop government legislated Torture inflicted by psychiatrists (International Day in support of Victims of Torture). Read more [http://www.chrusp.org/home/psychiatric\\_torture](http://www.chrusp.org/home/psychiatric_torture)

**22 Aug** – We should be allowed to be antipsychiatry. It is not only a belief that psychiatrists violate us, it is the truth and we should not be tortured for speaking out against psychiatrists who violate us. VOP Human Rights Related to Freedom of Religion or Belief. (International Day Commemorating the Victims of Acts of Violence Based on Religion or Belief)

**15th Sept** – Forced Psychiatry is not something that belongs in a Democracy. Abolish this vile cruel exploitation racket perpetrated via Mental Health legislation. Demand equality before the law for VOP.

**17th Sept** – Stop psychiatrists from their vile, cruel exploitative human experimentation on the VOP they lure in and won't let go of, and demand a reduction in toxic fumes in clinical spaces. (World Patient Safety Day)

**21st Sept** – Abolish forced psychiatry for Peace.

**2nd Oct** – Forced Psychiatry is inflicting horrific systematic violence against non-violent VOP. (International Day of Non-Violence)

**10th Oct** – World Victims of Psychiatrists Day, remembering the millions of VOP killed and maimed by psychiatrists, as well as those VOP currently being arbitrarily detained and tortured who are denied freedoms to allow them to rally with us. More about this [https://youtu.be/RnFp\\_EPhsuo](https://youtu.be/RnFp_EPhsuo)

**14th Nov** – Stop psychiatrists from forcing drugs on people that CAUSE diabetes

**2nd Dec** – Forced human experimentation is slavery of the worst kind. Abolish forced/ coerced psychiatry, that perpetrates and profits massively from this kind of slavery. No one wants to be a forced human laboratory specimen, most especially NOT when unwaged and forced.

**3rd Dec** – CRPD implementation for VOP. Equality before the law for persons with disabilities. When disability can be used as a reason to arbitrarily detain and torture in the guise of medicine, for the purposes of a vile cruel medical research exploitation racket, and subjected to threats and torture, until they break under this, and compliance is extorted from them... human rights are being horribly violated on the basis of Disability. (International Day of Persons with Disabilities).

**9th Dec** – Stop Medical Corruption, that is the vile cruel Mental Health exploitation racket. No more forced psychiatry, no more forced human experimentation. (International Anti-corruption Day)

**10th Dec** – VOP demand our human rights to refuse psychiatrists maltreatments. Give ups the right to refuse psy products, procedures, programs and their bloody beds!

**20th Dec** – VOP Solidarity Day (International Human Solidarity Day):

- a day to celebrate our unity in diversity, demand no more encroachment, and rough handling from whitecoats, who do not allow VOP freedom to speak the truth;
- a day to remind our governments to respect commitments to UN CRPD abolition of forced psychiatry;
- a day to raise public awareness of the importance of solidarity with VOP, to gain freedom from forced psychiatry and psychiatry's destruction of their lives, livelihood, wealth and validity.
